

# **Digital Railways**

## ***Present technologies, future trends***

### **PROGRAMME**

**Tuesday, 20 March 2018**

**18:30 - 21:30**

**Fair open as of 14:00**

**Royal Flemish Academy of Belgium for Science and the Arts**

*Rue Ducale 1 - 1000 Brussels*

Digitalisation is one of the top priorities for the rail sector and its future. The objective is to offer highly efficient and attractive transport options to rail customers and to make the most of the opportunities offered by digital transformation.

The **second edition of the CER Digital Fair** is a timely opportunity for the rail sector to show the latest digital developments to each other as well as to the EU institutions and external stakeholders. **Come discover innovative digital products**, apps and websites **improving the digital day-to-day experience for customers and companies** in the areas of connectivity, IoT, automation, open data and much more, including exciting new cross-border and cross-sectoral digital products and services.

In the context of the Fair, CER is pleased to bring together experts from the European railway sector and from the EU institutions for a **dynamic policy debate**.

**14:45 Welcome**

**Libor Lochman**, Executive Director, CER

**18:30 Networking cocktail**

**19:00 Q&A policy session**

**Pavel Telička**, MEP (ALDE, CZ), Transport and Tourism Committee

**Eddy Hartog**, Head of Unit Smart Mobility and Living, DG CONNECT

**Riccardo Santoro**, Head of Innovation Programmes, Ferrovie dello Stato Italiane

*Moderated by Libor Lochman*

**19:45 Closing remarks by moderator**

**Walking dinner**
